

Hi Parents and Students,

You will notice that there is no weekly work assigned! You are done!!

I do have a couple of things to mention.

1. IF you have been texted or messaged by a teacher, and you do not respond to what they have gone out of their way to list for you to do, we are keeping the zero. For some of you, it is the difference between passing and failing. We cannot come to your houses, but we can nag you to death. and we have. The teachers have included me in their messages to you, and I know what kids they have really gone after to help you get caught up.
2. Tuesday night is K-5 Graduation if you have an interest in coming. It's at 7:30, drive up and live streamed.
3. Wednesday morning at 8:00am, we have our last chapel.
4. Thursday from 2-5pm, the teachers will be in the parking lot for Drive Thru Student Appreciation Day! We have treat bags for each of you and your awards and yearbooks for those who ordered one.
5. Friday night is OCA HS graduation. The ceremony will be "drive in" for all of us and is also live streamed.

If you have questions, message me or text me. Don't quit or give up until the end. If you are lacking even one assignment and a teacher has contacted you, I wouldn't go to bed until it was done. A week from now you will be so proud of yourself!

Talk to you soon!

Stephanie Cumbie
